The Library is using Library management software (LMS) for its on-going automation activities and provides OPEN ACCESS facilities and users can also search their required resources through Online Public Access Catalogue (OPAC).

### ***Aims and Objectives:***

- To select, acquire, organize and utilize reading materials for the purpose of information dissemination, relevant to the aims and objectives of the institute.
- To provide services to users for effective utilization of library resources.
- To encourage reading habits particularly of the student community and to make them aware of the importance of Library in modern society.

### ***Library Advisory Committee***

The effective functioning of the library is ensured by a Library Advisory Committee named as Library Sub-Committee constituted with twenty six members.

- Chairman: Principal
- Convener: Librarian
- All internal GB Members
- HODs and the other representatives of the Departments
- Two non-teaching staff

Meetings of the subcommittee are organized regularly. The committee has taken important initiatives to implement the Library Management System. The committee also recommended the completely automated functioning of the library that makes the transactions much easier. The LSC meets regularly, deliberates on the budget and purchasing of books, and discusses thoroughly the proposals sent in by the Dept. and the students and recommends necessary steps for maintenance and up-dating. The Librarian is responsible for day activities. The committee oversees preparation of library budget, administration, selection and purchase of books and their storing preservation, computerization etc.
